

## CJC IN THE MIX

CJC In The Mix develops and presents cutting-edge cultural and social programming for all young adults in their 20s, 30s, and 40s. In The Mix has gained a following with signature events such as *In The Mix Lit* as part of the San Diego Jewish Book Fair, *Flix Mix* under the auspices of the San Diego Jewish Film Festival, *Pop Goes the Culture* and our popular *Taboo Talks* series. In The Mix is one component of a larger effort to deepen Jewish engagement with San Diego's young adult community.
