

Random Acts of CULTURE

JCompany Youth Theatre is proud to present our Random Acts of Culture program, providing underserved and under-resourced San Diego communities with the joy of live youth theatre free of charge. We have made it a part of our mission to reach out to these organizations and families because we know how uplifting and transformative the gift of live theatre can be – and we need your help!

Give this gift to thousands of people in your community by joining us as a Random Acts of Culture sponsor. All performances take place in our beautiful 500-seat David & Dorothea Garfield Theatre. Help change lives through the gift of theatre today!

Groups that benefit from this program include:
